Teenager's rooms and hobbies.

1. I have never been to Brazil but I d like to go there. I think this helped to decorate my room. I decided to turn into a rain forest. So far, I have painted trees, tigers and monkeys across the walls. My friends think my room is quite cool of it, but others think it is strange. But I proud of it. It is my dreams room I wouldn't change anything about it.

2. I spend a lot of time in my room and do whatever I like to do there. It is a quiet. Good place, because I don't share it with anybody. There are photos, pictures and souvenirs I have collected from my travels to Africa. These things mean a lot to me but not much to anyone else. I don't care.

3. There are dirty clothes, coffee cups, books and papers on the floor of my room. It doesn't look clean and tidy. I hate washing and cleaning it.

My mother always does it for me because she hates all this mess.

She saves my times, which I can spend on cable TV. And what can be better than an interesting TV program?

4. Football is an important part of my life, and I spend most of my time playing or watching it. I have put up photos and posters of my favourite players all over the walls. I sometimes think it is bit too much, but I really like my room – except the days when our team loses the games.

5. My room is at the top of the house, and I get a really good view of the sky from the window. I have set up my telescope there, so I can study the stars whenever I want. I find looking at the stars much more interesting than watching TV with my parents, so I spend a lot of time in the evening up there. It is really peaceful and relaxing. I think my room is great place to rest after school.

Children s rooms can tell you a lot about their likes and dislikes. Whose hobby is...?

- A. watching TV

- C. cleaning the room
- D. traveling
- E. dreaming
- F. sports

Dear friend,

Thank you for your letter. You are asking me about my free time. To tell you the truth I don't have it because I have much homework to do and also I have extra maths classes after school.

What's more, my Mum is busy in her office, so I have to look after my sister and go shopping. Do you like shopping? I hate it! I try to buy everything as quickly as possible at the nearest supermarket. And where do you buy things?

I must stop writing, because it is time to go shopping. By the way, what do you do with your change if you have any? Please, write to me.

Best wishes.

Mandy
